Faith Community Nurse Network of the Greater Twin Cities (fcnntc.org)

Faith Community Nurse Network of the Greater Twin Cities is a private, nonprofit service agency founded in 2004 by an interfaith group of faith community nurses to champion faith community nursing through education, program & professional development, networking, advocacy, and research.
Foundations of Faith Community Nursing

FCNN offers the Westberg Institute certified course which meets all requirements of ANA’s Faith Community Nursing: Scope & Standards of Practice. While the course is a pre-requisite for RNs who want to enter faith community nursing practice, it provides all RNs with skills needed to integrate spiritual care into their nursing practice.
