

Foundations of Faith Community Nursing

Virtual course offered by the Faith Community Nurse Network of the Greater Twin Cities
38.25 CEs for RNs | CNE pending*

Course description: This course is required as preparation for RNs seeking to practice as Faith Community Nurses (FCNs). It is based on the curriculum developed through the Westberg Institute for Faith Community Nursing which is owned by the Spiritual Care Association of New York, NY. *We have updated and enhanced this course to include Trauma-Informed care for FCNs to help you care for persons who have experienced psychological and/or spiritual trauma.*

***CNE Pending:** We are in the process of accreditation by ANCC and expect that our course will be CNE-approved by all state Boards of Nursing for 38.25 contact hours.

Course content: Our virtual classes plus five one-hour self-learning modules include these topics: Beginning Your Ministry; Prayer; Spiritual Care; Health Promotion; Legal and Ethical Issues; Documentation; Grief and Loss; Behavioral Health; Assessment; Transitional Care and several others.

Course Methods: Our faculty of six advanced degreed RNs and FCNs use a variety of learning methods to encourage interaction and involvement of our students. Because faculty are practicing FCNs, they share real-life situations and experiences. See faculty bios at www.fcnnct.org. Our student evaluation ratings average in the 95 percentile for both content and instruction quality!

Faith Community Nursing (sometimes called Parish Nursing) is a specialized practice of professional nursing that focuses on the intentional care of the spirit as well as the promotion of whole-person health and the prevention of illness (3rd. Ed. FCN Scope and Standards of Practice). FCNs are of all faiths and practice in many different settings.
